Re: Re-route of part of section 1;ref.: trail book page 35 & map 28.

The following revised trail description should be shown on our website:

km

- 0.7 Eastdale Dr. Turn west and enter Allenwood Beach, part of the longest freshwater beach in the world and a popular place for sunbathers, windsurfers and swimmers. Follow the sandy beach road running parallel to the beach up to where it merges with River Rd. East; turn right, walk for a short stretch, then right onto Mary St.
- 3.0 which becomes Coastline Dr. The latter ends at River Rd. East; turn right and follow thru to Zoo Park Rd., then turn left and continue going South, crossing River Rd. West at the traffic light, then turning right onto Golf Course Rd. where you will find the trail continuation about 100 m to your right.
- 6.5 The paragraph starting with: 'This steep private driveway-----;' plus the remainder of the trail description (page 37) may be left as is.

Note: For all practical purposes map 28 may be left unchanged.
